

# FM REGIONAL WORKFORCE RESOURCES

Resources to help you recruit, develop and retain talent, access resources and maintain the highest industry-level standards to be globally competitive. Gain operational improvement insights to optimize your strengths and overcome barriers to success.

## **NDSCS - TRAINND**

## **MSTATE**

## **IMPACT DAKOTA**

These organizations offer resources to amplify your overall production.

Below are a couple examples of what they offer collectively.

- Full-scale assessments of your business
- Customized training  
welding or CNC machining
- Process improvement
- Leadership training

## **EDC WORKFORCE DEVELOPMENT**

- Live in Fargo Moorhead Community Tours
- LiveinFargo.com 
- Workforce and economic data
- FM Welcome Party 
- Access to EDC marketing materials 

## **UNTAPPED EMPLOYMENT RESOURCES**

Workforce challenges can push us out of our recruitment comfort zone to add depth and diversity to our workforce...that leads to creativity and new ways of thinking. And *that* means better products and a stronger bottom line.

### **Mind Shift**

The detail-oriented skills of people on the autism spectrum can translate to greater precision and accuracy in your business.

### **Veteran Employment**

The VA assists veterans ready to enter the workforce.

### **F5**

The organization integrates rehabilitated felons back into the workforce. F5 works closely with businesses to find the right environment for employee and employer success.

### **United for Workforce Development Pathways**

United Way of Cass Clay is collaborating to identify and remove the barriers that exist for New Americans and low income individuals to enter the workforce.

## **SKILLED WORKFORCE CHALLENGE**

ND Career Builders Scholarship & Loan Repayment Program 

ND New Jobs Training Program 

MN Low Income Worker Training Program 

MN Job Training Incentive Program 

MN Automation Training Incentive Pilot Program 

## **REGIONAL AND STATE PROGRAMS AND INCENTIVES**

Our SmartBook provides a comprehensive snapshot of the local, regional, state and federal programs and incentives. Contact our EDC for more info. (701) 364-1900.
